---

you will find which CrossWire Bible Society's (SWORD Programming Library) and Bible Templates to use with BibleTime Mini. - These instructions are meant to be read only and are not meant to be used by someone without the technical understanding required to run CrossWire and other applications. Use the notes on this page to go to specific Bible Society's and Bible Templates. BibleTime Mini Features: - Be the first app on your b7e8fdf5c8

\* Adds a toolbar to the text of a Hebrew or Greek New Testament, Psalms or Hebrew Prophets, to help you to find a verse, read the passage, add a comment or take notes for future reflection. \* It can use the versions of the CrossWire Bible Society BibleTime - either in its own English or German editions - or the Greek Texts. \* The application can use an external Hebrew or Greek Interlinear and/or Lexicons. \* The toolbar has two main buttons, one allowing you to scroll the text, the other one to open the language dictionary. \* The menu allows you to hide the toolbar or set the size of the toolbars texts. \* One can also go to the tool bar and choose a different text, or add a file. \* One can also go to the toolbar and choose the different tools available. \* All the texts available have a hyperlink that can be placed in a bookmark. \* So, BibleTime Mini includes an Interlinear Hebrew New Testament that uses the CrossWire's

---

Hebrew tool, Hebrew keywords dictionary and the Greek Lexicons of the CrossWire Bible Society. It also includes the same Interlinear New Testament as it comes from the CrossWire Bible Society (or the same as is available from CrossWire for Windows), with a Greek Interlinear, a noun-verb lexicon and the CrossWire's Greek Lexicons. What's New in this version: \*

- \* Now you can share the texts on Twitter!
- \* Now BibleTime Mini works also with Hebrew and Greek Texts!
- \* Use the German Translation of the INTERLINEAR Hebrew New Testament by the CrossWire Society
- \* Now BibleTime Mini can work with Hebrew and Greek Texts from the CrossWire Bible Society!
- \* Added the option to set the size of the toolbar texts and the scroll text when the toolbar is shown.
- \* Fixed the option to change the language or to change the Hebrew or the Greek Interlinear.
- \* Fixed the option to work with Hebrew or Greek Texts from the CrossWire Bible Society.
- \* Fixed the Scroll button (you were not able to scroll if the toolbar was shown).
- \* Fixed some small
