Visit the city and go through the forest when you're ready, but be careful of the dangers along your journey. Get help from the Npc's and just enjoy the journey along the side of the road. See what's inside in the city and explore the environment, interact with the citizens and get help from them if you need to. Don't forget to keep your distance from them though, they can be quite unreliable and dangerous in some cases. Collect items and use them on the people and environment, use them on your way and in your journey! The Npc's won't judge you for what you do in the game though, as they don't get involved with the story itself. They are however very helpful for the main adventure you have, so just make sure you take heed of them as you explore the city. See how far you can get in your journey, interact and be carefree when you're on the road, but be careful not to fall down in the dark pit in the forest... You may just fall in your journey, but a little help and support could help you to keep your balance! Note that the content in this free offering is only for the Finding Fido: The Journey mobile app. You may use the app for free and without limits, but content is NOT shared between the tablet and the phone. Only the following features are included in this free offering: • Game play • Game saving • Game review • Game achievements The tablet version of the game will receive content updates and features throughout the game, all without taking in payments, however the full version of the game will be Free to Play with more content to be added over time. This means you will have access to the whole game in a Free to Play experience. The game contains both a logical and physical story line, explore and dig deeper into the plot as you progress through the levels with interesting characters that you can meet along the way. Collect the items along the way, use them and don't forget to look up and see what you can find while exploring the city. As you progress through the levels you'll be able to find and collect the items you need and interact with the environment and people to gain help if you need it along the way. Try to solve the puzzles and overcome the challenge as you progress through the levels and find out what you have to do to overcome all the obstacles and get through to the end of your

. In 968 AD, she is the only survivor from a group of eleven Viking warriors who are left behind after a raid on the village of Binbir. She finds protection and her only friend in the local Baron, a knight named Sir Gawain. Enter Helga. She is a gifted military mind. Keep reading! . Quick Overview In 968 AD, Helga the Viking Warrior, is the only survivor from a group of eleven Viking warriors. She is left behind after a raid on a village village in Ireland, by the local Baron, on Merlin's orders. When she arrives in the Valley of the Kings she quickly bonds with the local Mummy and Druid. Helga goes underground to train and escape the law of her father and the beady eye of the Baron. As she learns Wicca, as well as other roots, she evolves and learns all she can about living and surviving. What will she do when the Baron learns she is living in the underground caverns? Will she choose to hide? Will she choose to fight? Who will she choose to champion and protect? Thank you for reading Helga The Viking Warrior! Shadows of Avalon continues Helga's story. She has been magically transported from the safety of The Sacred Well in Ireland, west to the Valley of the Kings in Egypt. If her magic and her willpower are insufficient to draw Gawain (the knight and protector she has watched over and cared for during her many years of captivity) to her sides, how will Helga then, in Thebes, use her mind to gain the support of the king? .
