Activation Key Download**

Five years ago, Ihatu summoned the first Demons. They brought destruction and chaos to our world. In order to subdue the Demons, the Elden, a race of beings bestowed with great power, were formed. The Elden were known to be inhuman, the source of all the Demons' power. In order to annihilate the Demons and bring back law and order to our world, the Elden gathered their power, called the Elden Ring. The Elden Ring is a living, breathing sword forged by Elden masters and skillfully forged by the hands of the Elden. With the power of Elden in their hands, the Elden are able to create a new world and cleanse this world. The world you will live in is called the Lands Between. Here, you will be able to immerse yourself in a new world and experience the fantasy of a new continent, a world of great power. ©ATLUS & NIS America, Inc.
