Tamilyogi is a another website, which is different from the other torrent websites. You can download anything on Tamilyogi, but there are a few catches. You can download this site using a torrent application, but not all torrent clients support Tamilyogi. Therefore, you can only download this website using BitTorrent, Deluge, etc. But the good thing is that, you will be having some good features on this website. Tamilyogi is legally recommended for you, which means the website is built in a way that it does not give any kind of malicious or security issues to the device. Additionally, since this website is properly maintained and legal, it does not ask you to pay anything for watching the movie. Streaming websites are in a way like an app, in which it streams the movie to you. You can watch your favourite movies on streaming websites or download movies to stream them later. For movies, whose availability is limited, people turn to

streaming websites. However, before downloading movies from streaming websites, it is always good to check the website's reputation. Tamilrockers is a streaming website, which is used by most people for watching movies. As the website is not popular amongst people, most of them register with the website without knowing the consequences. Though the website is legal, but you must be aware of the fact that you may be signing an agreement, which you may be unable to cancel it later. Furthermore, it is good to know, that most of the time, by using streaming websites, you're giving a chance to the hackers. So, please watch movies on streaming websites with much caution.
