## Ryuichi Sakamoto Merry Christmas Mr Lawrence Flac

The issue with a Sakamoto album that has been remixed is always the lack of the bassline. It's the instrument that cannot be understated and there are no benefits to giving it prominence in these instances. Sakamoto is the prototypical example of a musician who simply ignores the bassline and so it seems to be the case with his newer work. Merry Christmas Mr Lawrence is a good example of this, and it's not clear why it was remixed since it's a pristine recording on all counts other than the fact that the bassline has been added. It's also worth noting that all of the bonus tracks don't take away from the remastered debut, that's for sure. Merry Christmas Mr Lawrence is one of the best ambient discs and is worth your time if ambient is your thing. It was one of the best concept albums of the late 80s and is still considered a classic, so credit must go to the original team, Sakamoto, Ono and Lowe, for fine-tuning it into something that is as good as it was on the first time. Palo Alto record store Good Earth Music have a Ryuichi Sakamoto - Merry Christmas, Mr Lawrence digital album with 20 tracks plus 7 bonus tracks. Click here to download it from Good Earth Music. There are numerous odds and ends on Discogs. One of them is an 7" called "Ryuichi Sakamoto - 1st Merry Christmas Mr Lawrence", a song by Synthetix. It only seems to be available for \$8.80 . Amazon, too. Buy some? This bonus CD has been sequenced nicely so that it can be enjoyed from start to finish as an alternative soundtrack to the film. Highlights are the full length Last Regrets, previously only available on the B-side of the twelve-inch single of Forbidden Colours, Free Time, a fascinating layered ambient piece reminiscent of Vangelis Blade Runner soundtrack or parts of Midnight Express by Giorgio Moroder, and the full-length extended version of Merry Christmas, Mr Lawrence which can only otherwise be heard with dialogue over in the final scene of the film.

**Ryuichi Sakamoto Merry Christmas Mr Lawrence  
Flac**

Not only are the jingles in Japanese, but there are an awful lot of Japanese covers. Some of them I know, like Vangelis, Ambient Zone, Pheloung, Brian Eno and Ryuichi Sakamoto but others are completely new to me. The dancehall

---

interpretation of Twin Peaks Theme, for example. I imagine these are Japanese jingles for producers and record companies and in that case they do the job perfectly.

The only other problem I can detect is a minor unclean-sounding cut on Ryuichi Sakamoto's Coda number. The

---

cover of the original is in terrible condition and I rather like the cheesy computerised animation. Merry Christmas Mr Lawrence is a 1983 Japanese war drama written and directed by Nagisa Oshima. The film stars actor Takeshi Kitano as a Japanese soldier assigned to guard a

---

former bureaucrat,  
played by David  
Bowie, who as a  
young man  
experienced the  
horrors of the Tokyo  
firebombing during  
World War II. It has  
been called a  
masterpiece of both  
directing and acting.  
The film was originally  
released in Japan  
under the title

---

□□□□□□□□ Happy  
Christmas, Mr.  
Lawrence. In the  
United Kingdom, the  
film was released  
under the title Merry  
Christmas Mr  
Lawrence and the U.S.  
as The Mourning  
Bride. It was released  
under the title Happy  
Christmas, Mr.  
Lawrence in the  
United States, due to

---

copyright disputes.  
Merry Christmas Mr  
Lawrence was such a  
success in Japan that  
it was remade there  
as the anime feature  
Mr. Lawrence No.Zoo,  
also starring David  
Bowie. This second  
version was released  
as Merry Christmas  
Mr. Lawrence No.Zoo  
in the UK, while in the  
U.S., it was released

---

# simply as Merry Christmas, Mr. Lawrence. 5ec8ef588b
